

INTERDISCIPLINARY SCIENCE AND TECHNOLOGY RESEARCH ACADEMY

To inculcate research interest and to transfer knowledge among students and staff, the parent M.C.E. Society established an Incubation Centre named as Interdisciplinary Science and Technology Research Academy (ISTRA) by providing seed money of rupees forty lakhs during the year 2010-11. The grant was provided to ISTRA to create new research facilities such as, Advanced Biological Science Laboratory (ABSL), Tissue Culture Laboratory and sophisticated instruments. In ISTRA, staff and students from Chemistry, Microbiology, Biotechnology, Botany and Computer Science are involved. To increase the spectrum of interdisciplinary research areas, faculty members and students from Abeda Inamdar Senior College, Allana College of Pharmacy, M. A. Rangoonwala College of Dental Sciences and Research Centre and Unani Medical College, Azam Campus are also involved.

The participating students and faculty are updated regularly on new scientific research and instrumental advances through research seminars and talks by national and international experts.

Talk on “Super Enhancers : Novel targets in Pancreatic Cancer” by Dr. Animesh Dhar, Associate Professor, Department of Cancer Biology, Kansas University Medical Centre, USA on 7th January 2020

Talk on ‘Research Funding Agencies’ by Dr. Subhash Padhye, Director, Advanced Scientific Research Laboratory on 13th January 2020

STUDENTS' ACHIEVEMENTS

The students who attended PhD training program in ISTRA on “Drug Delivery and Development”, had applied to various American Universities for Ph.D admission amongst whom two students got placed in USA for Higher studies. Ms. Manasi Kolutkar got admission in Kansas University Medical Centre, USA for Ph. D program and Ms. Preeti Sathe got admission in Northern State University, USA for Ph. D program.

ERP SYSTEM OF AZAM CAMPUS

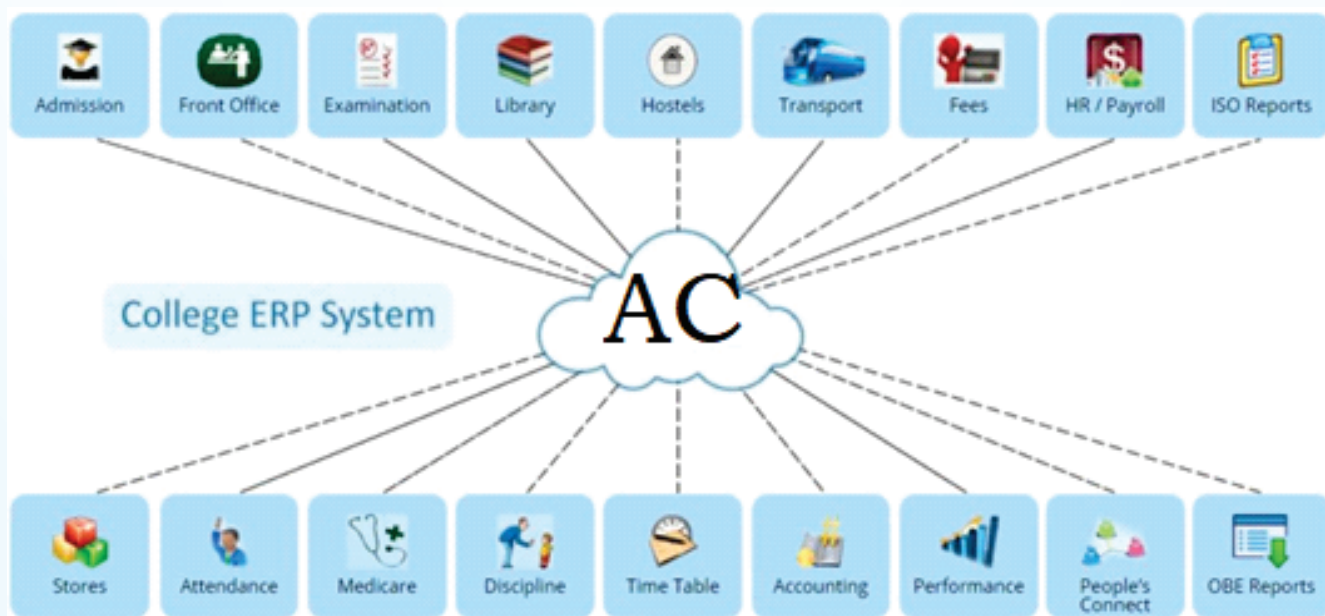

Enterprise Resource Planning (ERP) System

ERP for Educational Institutes plays an important role in managing processes like Fees Management, Financial Accounting, Library Management, Exams Management and Admission Management etc. in Educational Institutions.

ERP for Educational Institutes is designed to flow the information between each stock holder such as Students, Staff, Parents, Alumni and Management etc. This can be beneficial to increase transparency of institutional policies & student mobility and faster processing of documents. ERP software creates ease in the time & efficiency factor which is very important for the educational institutions.

Benefits of ERP for Educational Institutes :

- ▶ Automated Admissions process which consumes lesser time and applying online from service portal makes application process simpler for all the students and the parents.
- ▶ It helps in cost efficiency by managing the admission process, fees collection and documents.
- ▶ It also provides security for the data.
- ▶ It also provides the backup system to preserve the information from time to time.
- ▶ It also allows students to access the portal to pay for the courses and register for the new semesters. It manages records for each student, any department, staff or faculty on campus can find the information of student whenever they need.

Considering the benefits of ERP system, M.C.E. Society has decided to install and use ERP system in all its institution. Work has been done in most of our schools and colleges rest will be covered soon.

GREEN CAMPUS PROJECT

Implemented Throughout the Azam Campus

This initiative includes the development of our entire 24 acre Campus into a model of complete sustainability and a zone of ecological balance. We plan to achieve this by implementing the principles of sustainability on primarily three fronts, these being – Water, Energy and Solid Waste. The better management of these three elements is a great start towards setting an example for the rest of the world that ecological preservation and development can go hand in hand and are not mutually exclusive. We have achieved this on all three fronts by the implementation of various sustainable technologies such as Rainwater Harvesting, Solar Power Generation, Organic Waste conversion, LED lighting etc. The ecological balance is achieved by the development of an outdoor area of the campus through which a fresh water canal flows into a zone meant especially for environmental studies and its implementation at all levels, right from school to post graduate and doctoral studies. This aspect also includes the implantation of artificial nesting all throughout the Campus to foster the lost habitat for birds in our area. This is being carried out in the name of C.E.S.S. The details of these initiatives are given below :

1. Rainwater Harvesting
2. Solid Waste Management
3. Solar Power Panel (PV Panel) Installation
4. LED Conversion
5. C.E.S.S.

PAI MADRASA DEVELOPMENT SCHEME

At present Madrasa students are left out of mainstream education system and cannot pursue career in fields other than Islamic Studies, as they do not fulfill minimum prescribed educational qualifications. Not only that they also face difficulties in day to day life as they do not possess documents such as leaving certificate, educational certificate that are recognized by the Government.

To overcome this, M.C.E. Society has initiated a special scheme named as “PAI Madrasa Development Scheme” to guide and support madrasa students to register themselves for Std. X (S.S.C.) and Std. XII (H.S.C.) at NIOS study center at Azam Campus and pursue higher education and become an asset to the community and the nation. Mr. Nasir Khan (9922412033) is in-charge of the scheme and co-ordinating with madrasa.

During this year 77 Madrasa students appeared for std. X (S.S.C.), conducted by NIOS. Entire expenses of these madrasa students were borne by the M.C.E. Society.

DINING ETIQUETTE WORKSHOP

M.C.E Society's M.A. Rangoonwala Institute of Hotel Management and Research conducted one day workshops on “Dining Etiquettes” for the students studying in the schools and colleges in Azam Campus at its state of the art restaurants. Around 1050 were trained during the year 2019-2020.

The workshop mainly focused on educating the students on dining etiquettes and lifestyle management. Besides learning, how to sit and eat a meal in a formal dining set-up, students

were also taught about good eating habits, stress management and responsible behavior on social media. An excellent presentation, demonstration and practice sessions were organized. Arrangements were made to create actual ambience by setting up dining tables and providing refreshments. Students were given insights on the importance of nutrition and implementation of a healthy lifestyle with know-how on physical exercise.

The workshop was a refreshing and a new experience for many students and it changed the general perspective about fine dining. It also promoted 'Eat Right' movement of the Food Safety and Standards Authority of India. The students emerged as better-informed gentlemen and ladies who would not feel intimidated by all the technical and exquisite terms one needs to know about when they talk about fine dining.

SPECIAL COACHING PROGRAMME TO PREPARE SSC (ATKT) STUDENTS

The S.S.C. Board conducts supplementary S.S.C. Examination in July every year for the students who have failed in main examination conducted in March. If a student clears the subjects (ATKT) his admission to Std. XIth is continued and confirmed, thus saving his one year.

M.C.E. Society has introduced a scheme under which special coaching is imparted to such ATKT students to help them clear their backlog subjects. The coaching classes were conducted at Anglo Urdu Boys High School from 25th June to 13th July 2019, which was attended by 165 students from various schools in Pune namely Anglo Urdu Boys' High School, Anglo Urdu Girls' High School, M.C.E.S. English Medium School, Rafi Ahmed Kidwai School, Moledina High School, Lady Tahirunnisa Inamdar School and Dr. (Mrs.) N. D. Nagarwala School. Out of 165 ATKT students 115 students cleared SSC Examination in July 2019.

❧ FACILITIES & SERVICES AVAILABLE IN THE CAMPUS ❧

Sr. No.	Name of Scheme / Project	Page No.
01	Hostels	75
02	Azam Masjid	76
03	Sports Complex	76
04	Halls	78
05	Green Galaxy	78
06	Language Lab	79
07	Canteens & Bakers Bounty	79
08	ATM	79
09	School Buses	79
10	Bank Counter	80

FINANCIAL ASSISTANCE TO POOR AND NEEDY STUDENTS

During the year 2019-2020 an amount of Rs. 26,46,901/- was given as Financial Aid to 689 Campus students including children of the Campus employees, from fund received from Haji Gulam Mohd. Azam Education Trust.

SCHOLARSHIP CELL

The Deccan Muslim Institute located in the Azam Campus, started a Scholarship Information Cell in the year 2002. The institute gives information and helps students fill up online & offline scholarship forms of Central Government, State Government, Private and Charitable Trusts. The Scholarships / Financial Assistance information is given to students who are meritorious & needy irrespective of caste, creed and religion.

The institute is also a nodal agency to USA based scholarship FFE (Foundation for Excellence) where students pursuing MBBS and Engineering recommended by Mrs. Abeda Inamdar, President DMI are selected for scholarship.

Till date the institute has helped more than 40,000 students fill up online & offline Government & Private scholarship forms and scholarship amount worth Rs. 35 crore has been received by the students directly into their bank accounts. The institute also regularly updates its scholarship list and informs students regarding any scholarship information or any upcoming scholarship through bulk SMS/ Whatsapp.

**Education with Morals, Business with Ethics
Wealth with Conscious and Science with Humanity**

NIGHT LIBRARY

There is a Night Library in the Campus which is opened from 05:00 p.m. to 10:00 p.m. and all days including Sundays and holidays. It has two separate Reading Halls – one for Boys and another for Girls with a capacity of 100 students each. Sufficient number of required text and reference books are stocked in the night library

SKILL DEVELOPMENT CENTER

It is well said by an individual, “Education is more Important but Skill is the most Important”.

Taking into consideration the current education and job scenario, appropriate job-related skills complement a formal degree in any discipline, and increases career opportunities. The job industry too expects the prospective workforce to come prepared.

Learning a new skill will broaden the opportunities; at the same time empower one as an individual. Skill training not only provides skills in a particular area, but trains students to build and enhance networking, time management, communication skill.

For any type of job, besides technical skills, employers keenly look for a distinct kind of skill in their potential employees. Whatsoever role students may be looking forward to in the organization, possessing strong soft skills puts them a step ahead.

The society has been granted permission from Maharashtra State Skill Development Society under Pramod Mahajaan Kaushalya Vikas Udyogjakta Abhiyan to conduct the following courses:

- | | |
|--|---|
| ▶ Accounts Assistance Using Tally | ▶ Household Services |
| ▶ DTP And Print Publishing Assistant | ▶ Bellboy |
| ▶ Computer Hardware Assistant | ▶ Front Office Cum Receptionist |
| ▶ Computer Network Assistant | ▶ Accounting |
| ▶ Cook General | ▶ Soft Skill For Baseline Staff In Service sector |
| ▶ Cook Continental | ▶ Soft Skill For Front Line Assistant |
| ▶ Cook Indian Cuisine | |
