5. He is tirelessly working to impart knowledge of Information Technology to poor, needy & deserving students, at Azam Campus & others in Maharashtra & outside Maharashtra. For this he is supporting many Educational Institutions in Pune city and elsewhere. By 2022 he aims and desires to completely bring E-Teaching, E-Learning & E-Administration at Azam Campus & other affiliated schools.
6. He has guided & supported modernizing madrassa education, and due to his involvement in this sector; the conditions of madrassa education has seen a change with subjects like computers and English language and Mathematics being introduced here too. He has also been working on and has achieved success in changing the attitude of the teachers in Madrassa education and Imams of Mosques by providing educational medical and financial support.

The true spirit of Dr. Inamdar is visible only upon a visit to any one Institution with which he is connected. Be it Azam Campus, or Muslim co-op Bank, the greenery speaks about his commitment to Cleanliness and environmental issues; the finances speak about his financial genius; the merit list and achievements whether of the students or staff, speak about his commitment, dedication and perseverance; the absolute confidence and authority of all the administrative and management staff nurtured by him, speaks volumes about his managerial ability; and the mixed group of students and staff coming from all casts and creed and religion speak about his secular nature. Institutions controlled, by Mr. Inamdar are what Dr. Inamdar is: Clean Green Progressive and Giving with bias towards none and Charity towards all.
