✎ DEENIYAT DEPARTMENT ✎

In order to provide knowledge of Islam and the Quran to the students of our schools, a separate autonomous Deeniyat Department has been set up at the Azam Campus with a total students strength of 8500. 13 full time religious teachers are employed to conduct MESCO Arabic Courses.

The Department also conducts various religious functions, competitions for the students. State Level Elocution Competition was held in which 225 students participated. National Level Islamic Examination was conducted for which 4300 students appeared throughout India.

Courses are conducted at the following schools :

▶ Haji Gulam Mohammad Azam Urdu Primary School
▶ M. C.E.S English Medium School
▶ Anglo Urdu Girls High School
▶ Haji Abdul Kader Memon English School, Katraj
▶ Lady Taherunnisa Inamdar High School, Wadgaon Shri
▶ Anglo Urdu Boys High School.

NAMAZ-E-JUMA

(Preparing students to lead Juma Namaz)

There is a separate Central Deeniyat Department in the Campus. Muslim students of the Campus are imparted religious knowledge and Quran education, From this year an innovative programme was launched, under which capable students of our schools are prepared to lead Juma prayer (imamat), to deliver Juma sermons (khutba) in Arabic and also speeches in English and Urdu and also to give call for prayer (Azan). After completing their formal education they may become Doctors, Engineers, Professionals, Teachers and Politicians etc. These students with correct and sufficient knowledge of Islam will not go astray. Confidence created in them will make them capable of leading the ummah and the nation which is very essential in modern time.

A separate jamat is conducted every Friday especially for school students at Azam Masjid which is led by a student (imam and khatib). About 1000 students attend juma namaz. We hope the message will be spread across the country and other educational institutions also start this practice.

M.A. RANGOONWALA TALENT SEARCH & PROMOTION SCHEME

It was felt for a long time that the girls and boys of the Muslim community though have potential to excel do not fare well in various competitive examinations due to lack of expert coaching, Keeping this in view the scheme called Scholar Batch, was started at Azam Campus from 15th April'1999.

The students are enrolled for the Std. XI and XII Science and prepared for Board Examinations. They are also prepared for the various competitive examinations. The admission to medical and paramedical, dental, pharmacy, architecture, I.I.T and many other courses are made on the basis of competitive examinations held at State and National level.

Merely scoring at XII examination is not sufficient to secure admissions to MBBS, BDS, BAMS, BHMS, BUMS and other paramedical and engineering courses. Keen competition requires not only knowledge skill but also self-confidence and positive attitude which make a big difference. Overall development of the students is also our objective.

The scholar batch thus tries to cater to the intellectual needs of the students and provide them opportunities to formulate bright careers, to enhance their performance at the HSC examination.

The Scholar Batch's passing percentage has always been 100%.

Between 2001 and 2018 almost all students have pursued professional education. The statistics of these students is as follows :
